* Not a Club event, just a recommendation on where to ski with other people you know. You arrange your own transportation, lift tickets, and accommodations.

Some event hosts may be able to provide information about discounted accommodations.

On the day of the event, meet near outdoor ticket window 20 minutes before lifts open.

Respect the other people who participate in the event by following the COVID guidelines in effect for the time and location of the event.

By participating in these informal events you waive any legal claims against the Desert Ski Club, its trip hosts or its officers.
